RE: Signature Page from Argonne National Laboratory for QAPP, 341 East Ohio Street Site,
Chicago, Illinois - STS Project No. 1-25585-XG, Correspondence No. 106

Dear Mr. Micke and Ms. Simon:

This letter transmits the remaining signature page for the Quality Assurance Project Plan (Revision 3) transmitted to you on 12 July 2002. In that transmittal we noted that the signature page had not been received from Argonne National Laboratory (ANL). The enclosed signature page was signed on 31 July 2002 by Elane Streets, laboratory director for ANL.

We believe this completes all outstanding issues relative to the QAPP and we respectfully request that the USEPA's conditional approval of the QAPP granted on 4 June 2002 be amended to final approval.

If you have any questions, please contact Richard Berggreen or John Esser at 847-279-2500.

Sincerely,

STS CONSULTANTS, LTD.

John S. Esser, P.E., P.G.
Senior Project Engineer
